

“NEW LIFE—What Is It?”

John 3:1-15
July 25, 2010

THE BIG IDEA: It's Time You _____ It.

1. It's _____, Not _____.

To say you're a “born again Christian” is _____—there is _____!

How do we know it's essential?

- Jesus gives the “_____ truly”
- Jesus gives the _____ (vs. 7)

2. It's God's _____, Not Our _____ - _____.

As long as _____ other than the _____ of Jesus is our e-ticket to the eternal—being born again--having NEW life--will just be a religious _____.

“Born Again” can be translated “_____” or “_____”.

3. It's About Being _____, Not _____.

It's NEWNESS not _____. It's BIRTH not _____.

4. It's Offered To You _____, Not _____.

The offer of new life to him and to you is a “_____ Only”

Trusting Jesus for salvation means to trust him so completely that if _____ can't take you to heaven, _____ going to go there.
