## Three Parts of Christmas by Lowell Hall

Christmas is just around the corner and will soon be here. The commercial side of Christmas is already preparing for the “Great Gift Giving” time. Christmas lights are being placed on trees and roof tops. The Commercial Christmas is here.

It is all too easy to lose the “Real Reason” for celebrating Christmas. Christmas season is also called the “Advent” season. Advent describes the wonderful coming of Jesus Christ into the world. The Advent changed the lives of millions of people world wide. The birth of Jesus Christ was a Gift that God gave to the world—a Gift of love. The “Advent” was the greatest Gift ever given to mankind. It can be viewed as having three parts. The three parts are; God as the Giver of the Gift, Jesus Christ as the Gift, and we as the recipient of the Gift.

Because God loved mankind He sent His Son Jesus Christ, into the world as an expression of that love. The Perfect Gift was freely and lovingly given. Despite the fact that past messengers from God were ignored and many of them killed, God still sent His Son to earth.

The Gift was His Son Jesus Christ. What a marvelous, wonderful Gift. God’s Gift brought to us: forgiveness of our sins, healing for our souls, peace to our troubled hearts, a promise of an ever present counselor, and an assurance of eternal life with God. What a wonderful Gift God gave to us on that first Advent season.

As the recipient of God’s Gift we can do no less than humbly accept God’s Gift. With acceptance of God’s Gift of Jesus Christ, we will want to commit our lives in total obedience to God’s will and then live our lives to please Him.

Christmas is an exciting, wonderful time of the year as we remember that God gave the Gift, Jesus Christ was the Gift, and we are the recipient of the Gift. As we celebrate Christmas it is an ideal time

*(continued from previous column)*

to remember the Advent of Jesus Christ and renew out commitment to Jesus Christ our Savior and to God His Father. ☩

### **TREE STAND HOURS**

If you have any questions or would like to help with running the tree stand, please contact Steve Moreland.

**Thank you for helping to support our missionaries!**

Highline Christian Church delivered 152 Operation Christmas Child boxes!!!! **Thank you, thank you, thank you** for your generosity in helping underprivileged children around the

world through Operation Christmas Child! Thank you to those who shopped and created full boxes. Thank you to those who provided individual items. Thank you to those who paid the shipping costs for someone else's box -- we had exactly the right amount of money donated to fill and ship 152 boxes - wow! God is amazing how that all worked out! Thank you for praying for Operation Christmas Child.

Our boxes were taken from Federal Way's relay church to the Tacoma Collection Center and put on trucks headed to Colorado and California. During this week following Thanksgiving, volunteers are busy in Processing Centers in North Carolina, Georgia, Minnesota, Colorado, California, and Hawaii. They are inspecting and preparing the boxes to be shipped to about 100 different countries at the end of the week. Pray for the transportation logistics as each box makes its way to the recipient God has chosen. (You can sign up by August to be a Processing Center volunteer next year if you are interested.)

In 2010, 8.17 million boxes were sent to needy children. Pray that their physical AND spiritual needs are met through the Operation Christmas Child boxes and the work that Samaritan's Purse is doing in their country.

Begin now looking for great deals on items you can fill shoeboxes with next year. You are welcome to use your own box or plastic tote to hold items.

Thank you again!

Tammie Lindblom

## Highline Ladies

Please join the Women's Ministry Team in ushering in the Christmas season with a night of fun and fellowship on Friday, December 9<sup>th</sup> at 7 PM! Our Christmas Mugging is a time to get together in the

North building and enjoy each other and the joy of Christmas. We each bring a mug filled with something (\$10 or less) as a gift and then the fun begins as we choose mugs and maybe lose mugs. Everyone who brings a mug, goes home with a different mug. But if you don't want to be part of the mugging, just come and enjoy fellowship and cookies.

A table to sign up for the event (the event is free) will be in the Atrium after services on Saturday and Sunday (December 4 and 5).

Childcare for children 5 and under is available for this event. Free-will donation for the childcare costs will be taken on the night of the event. Please sign up for childcare at the Atrium table so we can be sure to have enough childcare workers.

## Neighborhood Caroling

You are invited to meet at the home of Konrad and Tammie Lindblom on Sunday, December 18, at 6 p.m. to go Christmas Caroling in the their West Kent neighborhood. Dress for the weather. Hot chocolate and cookies will be provided following caroling. Contact the Lindbloms for directions or questions.

## Supa – “Greetings” In Maasai

I feel very blessed to serve in a congregation that is so supportive of missions. Thank you so much in making the mission trip to Kenya possible.

My journey to Africa was so much more than “miles traveled”. It was definitely a spiritual journey as well. I don’t think anyone who goes on a short-term mission comes back without some spiritual growth. I know I certainly grew. A group of young men even gave me the Maasai name, Nabolo, which means “growing in spirit”. That was a blessed moment that I will always hold dear.

Another cherished memory of Africa is an event that happened when we were out in the bush. The first night we stayed at the village, Africa Hope arranged to show the Jesus Film in a neighboring village. Surrounding villages are always invited to come. Just a few of the team went out that first night and we stuffed the three of us plus many Kenyan youth into one van. I was seated next to Gloria, a girl I’d met at the children’s camp at Africa Hope in Narok. She is a fellow artist who drew beautiful pictures of her mother and father. It was such a pleasure to spend the evening in her company.

As we headed down the road to the other village, I noticed some movement outside of the vehicle. Even though it was dark, there were several young men running alongside. The young men would keep pace for a while and then sprint ahead of the vehicle to the great delight of the children riding inside. We could see them in the headlights and the driver then started turning the lights off now and then as a game. I’ll always remember Gloria’s laughter!

When we reached the village, Gloria took my hand as we got out of the van. I asked her if we were to go inside the village fence since the movie had

*(continued from previous column)*

started. She said, “Oh no, we must wait”. We stood in front of the van and watched through the brush fence of the boma. We waited a short time until we were told that permission had been given for us to enter. After we went in and were seated, Gloria leaned her head against me. I couldn’t help but pray that all these beautiful Maasai people who were watching the life of Jesus being played out before them would understand that just as we had waited for permission to enter the village, Jesus is patiently waiting to be given permission to enter their hearts.

“Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person and they with me.” Rev. 3:20

God is doing mighty things in Kenya. Please pray that the Maasai people will hear his knock.

His servant,

*Lyla Moreland* ☺

Dear Highline Church,

We are so grateful for your many kindnesses to us! Thank you for the gifts of encouragement and hope! Even though we are in the ministry of Hope, we need to have the love and support of the body of Christ. Highline Church members are Christ's hands extended in such tangible ways! We thank the Lord for you and all that you have done for us.

The food is wonderful! The necessary products were/are gratefully received... especially with this being the cold season!! Needless to say anymore on that subject, except to really let you know that your gifts have been needed and we are very thankful ;-)

Also, the gifts of money have come in handy! In countless ways, like gas for the van, heat bills and all the extras that seem to come along. Thank you all so very much.

May our Lord pour out upon each one a blessing that overflows and is running over!!

Current needs for HOUSE OF HOPE...

- A good running car...we sold the Subaru to be free of that large monthly payment! Praise God!
- Ferry pass for Southworth to Fauntleroy
- Sleeping bags for the homeless
- Warm coats/jackets/gloves/hats

and...lots of prayer for Michael, whose Father is very ill and has been taken off life support.

In His love,

*Michael and Margie Sgobba*

## Christmas Blessings!

In a short time, Christmas will be here! Please take some time as a family to celebrate the special season.

Here are some ideas of family activities you can do together.

- Take a walk in your neighborhood and look at lights.
- Pray for your neighbors to understand the gift of Jesus
- Invite your friends to come to church.
- Bake cookies and share them.
- Show your child a Nativity set and tell them the story of Christmas using the figures.

*One of my favorite memories of Christmas is looking at Christmas lights with my family. We would drive around and see the sights. Christmas lights are a way to talk about Jesus to children. The only way Christmas lights work is when they are plugged into a power source. When the lights are spread around, the light shines out. We are a lot like Christmas lights. We have a purpose! Our purpose is to shine brightly. The only way we can live our purpose is to be connected to our power source which is God! When we are connected to Him, we can shine His love to all people. When we shine for Jesus, we can bring joy to them. This joy lasts longer than a Christmas light! I pray that you feel God's love surrounding you this season. God Bless you and your family.*

*Katie Taylor*

Christmas Eve services are at 4 and 6 p.m.

Christmas Day service is at 9 a.m.

There are no classes for the children.

There is childcare for children 2 and under available for all 3 services.

*(If you would like to help watch children, please call Katie Taylor.)*

## TALK ABOUT HIM WHEN YOU SIT IN YOUR HOUSE, AND WHEN YOU WALK BY THE WAY, AND WHEN YOU LIE DOWN, AND WHEN YOU RISE.

Christmas is a wonderful time of year to practice being intentional about living for Jesus in each moment. Here are ideas to spur Jesus conversations as you celebrate our Savior.

- Serve at the HCC tree stand and as you do talk about Mark 10:45.
- Help with the Outdoor Nativity by volunteering to help set up and clean up and everything else in between. Also be sure to invite your family, friends, and neighbors to come see the shows December 16th & 17th.
- Take a road trip to Leavenworth and as you do read the Christmas story in Luke 2. You can also talk about the journey and what it might have been like to take a trip like that. (The elevation difference between the two journeys is roughly the same.)
- Bundle up and go to Zoo lights. On the way read John 1:1-18. While you walk around looking at lights talk about Jesus, the light of the world who made all things and came to give us grace and truth.
- Make a paper chain to count down the days until Christmas. As you tear each link off the chain write a blessing on it you have received from Jesus then put it in a safe place. On Christmas read through the blessings as you remember Jesus.
