A Special Trip

It's time to think about visiting Mt. St. Helens and to declare the GLORY OF GOD!! He created the mountain in all its glory and even gave us a mini Grand Canyon formed in just days as a result of the erupting mountain. This geological treasure is a challenge to the thinking that the Grand Canyon was formed over a long period of time. Come see for yourself and gain a deeper understanding of the power and majesty of God.

This is a heads up to save these dates to visit this awesome treasure in our own back yard. Set aside **Saturday, July 28** for a day of adventure. Another date for a mid-week trip is **Wednesday, August 22**. With a group of 10 or more, we will have the expertise of 7 Wonders Creation Museum manager Lloyd Anderson to give us a running commentary as we travel up the mountain. Children are welcome. Sign ups will begin July 8. Look up the museum and the mountain on the web for a preview. July and August should be sunny months to see the mountain in brilliant sunshine. Transportation is the main cost of the trip and a donation to the museum. If you have any questions call Connie Egger.

We would like to offer sympathy to the family of Juanita Gennette. Juanita went home to be with the Lord on May 13, 2012. Juanita had been a member of Highline for over six years. Please remember Juanita's family in your prayers during this very difficult time.

Thank you!

In remembrance of Gordon McIntosh who passed on April 18, 2012—my family and I wish to thank and bless all those beloved staff, members and non-members of Highline Christian Church for their sincere prayers, words of encouragement, flowers, cards and loving support given so freely in Christ's name for Gordon through his long illness. We are truly blessed and very thankful for the love given to us. God Bless You.

New Life in Christ

Easter is several weeks in the rearview mirror, but the resurrection life of the church is ongoing! The Easter message emphasized: The resurrection is WHY we exist. The resurrection is WHAT gives us hope. The resurrection is HOW we know God.

We were dead (alienated) in our relationship with God. God in His love for us died to have a relationship with us.

Christian baptism demonstrates the faith that justifies! Our new life is so beautifully pictured here! Paul writes in Romans 6:4 “We were therefore buried with him through baptism into death in order that just as Christ was raised from the dead through the glory of the Father, we too may live a new life.”

It’s easy to assume that after I’ve given my heart to Jesus, came forward and was baptized—that the “new life” will just somehow happen in the hectic pace of life. But “new life” must be intentional. Just as a new human life needs to be cared for, nurtured, fed—so must the spiritual life we now enjoy in Christ.

How are you intentionally growing and maturing in your new life in Christ? The possibilities are endless: Worshipping together with the family of believers at Highline; reading and studying God’s Word alone and in a group; seeking ways to get to know your brothers and sisters more; praying; being open to serve others with the gifts God’s entrusted to you.

The Easter message maybe in the rearview mirror—but the resurrection life of the church lives on!

Lowell Hall

Therefore, if anyone is in
CHRIST
any one
 he is a new
CREATION
NEW
 the old has gone, the new has
COME!

Praise God Report! House of Hope Ministries

Thank you Highline Church Family for your prayers for Carrie and James. They are doing well and staying in the "Safe House" long term. Both are being ministered to by very strong Christian people. James is going to another kindergarten and loves his teacher and the other kids at school. Carrie was able to change her night shift to a day shift and her hours are compatible to James's school times...Praise God!! She isn't working full time, but we all feel that is best for the next few months, since her son needs her and it is a time of healing for both.

Once again, thank you all for your prayers! They are doing great! Please continue to pray for them...James is having some anger issues, but they are passing more quickly, and he is getting the love and protection that will help him grow into the person God created him to be.

God's best to all of you,

Pastor Michael and Margie Sgobba
