## Building Update

### ...a note from Gregg

It has been an INCREDIBLE BLESSING to have been involved with our construction project. MANY of you have helped immensely along the way. We would not be where we are today without your effort. For some of you it was using the talents of your regular work to help complete our facility – electricians, painters, computer wizards to name a few. For others it was just being available to do whatever was necessary - clean up, pound nails, do landscaping or guard the project at night. I would LOVE to name all of you but.... first of all I can't and secondly as soon as I started naming people I know that I would leave someone out that should be listed.

Having said that I do have to mention a few people that were godsend. Dave Sloan quit a part-time job to come along beside me and help us get into the Worship Center. He continued to show up once a week for the remainder of the project to do whatever was needed to forward the project. Chuck Hansen, Ty Bandy and Bill Bird combined as our main group of electricians on the project and literally put in hundreds of hours to complete the project. Al Peterson (not a member of HCC) is the charity coordinator for local 32 – Plumbers and Pipe Fitters Union – put in many many hours directing his group and then mostly showing up on his own to do the majority of all our plumbing. Rey Ureste helped in the Ed Wing project with expertise in drywall and then painted the entire upstairs portion of the Education Wing. Ernesto Alvarez (Senior Minister of Mision Ebenzer – Hispanic church that meets in our facility) painted the entire Worship Center and the bottom floor of the Education Wing. Although many were involved in the tech, computer and music wiring and layout.... two people did a massive amount of the work... Tim Crawford and Les Fader. Although about a dozen people were employed by the church during the project I do want to say a special thanks to some that went beyond what was expected... Lee Kibler, John Davis and Caleb Louvier for various reasons deserve a special thanks for their efforts...

*(Continued from previous column)*

Last but not least - Thanks to the staff that worked with me (and sometimes just put up with me) during the project – you were a blessing. A special thanks to my best friend and brother Pastor Tim. He was a great encourager during the entire project.

Although we are technically done building our new facility (except for the elevator and related items) there are many jobs left to finish and maintain our new facility. Starting shortly as property chair, I will be scheduling work parties to complete some punch list and maintenance items, so be watching your newsletter and bulletin for more information.

Again thanks to all that were and are part of this incredible effort.

In His service,

*Gregg*

P.S. I would be dead and just wrong for not giving a special thanks to my wife Marsha for all the chasing of parts and materials, extra cleaning required and a myriad of personal schedule “adjustments” over the last 4 years. I love you and thank you!

## 40 Days for Life

**FEBRUARY 25  
TO APRIL 5, 2009**

This spring, from February 25 through April 5, the Renton community is uniting with dozens of other cities across the United States for a special 40-day campaign of prayer and fasting for an end to abortion, and of prayerful vigil at abortion facilities. This campaign is known as 40 Days for Life. And while being a national campaign, it is conducted on a local level, in individual cities and communities.

Thousands of people of faith are uniting this spring for this great effort to help rebuild the Culture of Life and heal the wounds of abortion in our land, and we are invited to join with them as we spend 40 days in prayer, fasting, and vigil in the Renton community! The prayer and fasting can be done at any time and in any place during these 40 Days, and the prayer vigil will take place at the Cedar River Clinics abortion facility in Renton, located at 4300 Talbot Rd S. (across from Valley Medical Center). This vigil will happen Monday through Saturday from 7 A.M. - 5 P.M. on each of these days.

The Cedar River abortion facility here has been killing unborn children for over 30 years, and averages 10-15 abortions per day! We need to unite in a strong effort to stop the killing.

**Please consider signing up for your own times to come and spend in peaceful prayer vigil during these 40 Days! You can choose any day and time that will work best for you, even if the time is outside the official Mon-Sat, 7-5 in front of the Cedar River abortion facility.**

**For more information or to sign up for prayer vigil, please contact Christina DeGoede (360) 269-2105 or [cmdegoede@yahoo.com](mailto:cmdegoede@yahoo.com) or Louise Scott (425) 271-7185. ## Dear Church Family,

I was very surprised on Sunday, February 15th, to be honored by you all. It certainly has been many years playing with a number of pastors as well as choir directors. In fact, it is amazing to me how fast it has gone by. At any rate, I love you all and hope to continue as long as my hands hold up!!! I have been very blessed to work with such great people. It makes my "job" so much more pleasant and exciting!

Thank you so much for all your love and encouragement that I receive from you all! I never dreamed 35 years ago that I would still be at this

church much less still playing! It has been a wonderful experience in my life! Thank you once again! God bless you all!

In his love,

*Nancy*

**Pastor Tim congratulates Nancy Metzberg on nearly 35 years of service to God at Highline. Nancy has used her musical skills in a variety of circumstances including playing organ and piano for Sunday morning services, accompanying the choir, and playing for weddings and funerals. Thank you, Nancy! We love you!!**

## The Prayer Closet

From Galen and Carole Marcille

Early in our dating years, Galen wanted to build a small wall in his parents' basement. I'd never built a wall before. He assured me this small, three-foot wide wall would only take about ten minutes to put together. So we got started. It ended up taking HOURS! (Granted—had we used fresh lumber that hadn't been sitting around for YEARS, it might have taken only ten minutes after all.) Later I found out from his parents that this was his standard technique he used to sucker folks into what he wanted to do—I mean, get people to help him. It helped overcome the inertia people feel if there is a big task ahead of them. It became one of the family jokes—"Hey! It's only a ten-minute job!"

If you attended the New Year Eve's family game night, then you heard Pastor Tim issue a challenge for the New Year—pray five minutes a day. (For those who did not attend, and hear the challenge, please consider this your invitation to join in!)

As someone who can use all the encouragement I can get regarding prayer, I thought, "I could do that!" I've been working at this since that evening, and I am astonished at how challenging it can be to carve out simple, five undistracted, focused, disciplined minutes for the Lord. It also amazes me that frequently I don't know what to say or where to start! So here are a few things I do to help accomplish this goal:

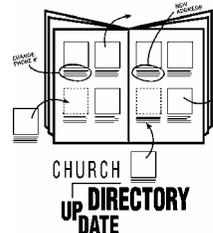

1. Use the Lord's Prayer. I'll pray one line at a time and personalize each line with praise, thanksgiving, confession, petition, and forgiveness. For example, "Give us this day our daily bread", might lead me to discuss a need someone else has, or perhaps for a friend who needs work, or for provision for a bill looming on the horizon, or for someone I know suffering a challenge.
2. If I take my five minutes after I complete my Bible reading for the day, I might discuss something I read with the Lord, or ask Him a question about it.

*(Continued from previous column)*

3. I will divide my prayer time up along these lines:
  - 1 minute for praise
  - 1 minute for discussing Bible reading
  - 1 minute for asking Him to examine my heart and confess my sin
  - 1 minute for praying for others
  - 1 minute thanking God for His blessings

You may be wondering—what did the "ten-minute job" story have to do with this topic of prayer? The ideas I mentioned aren't so much about getting through it all. It's more about getting started and over the inertia that blocks the flow of relationship between God and me. What's really exciting about this "five minutes of prayer" is when five minutes turns into ten or fifteen or even more! Sort of like that "ten-minute job", only much, much better!

# HIGHER GROUND KIDS SPOT

## FILL ME UP WINTER RETREAT

Over President's Day weekend, we had a wonderful retreat with the Summit Seekers. Our Summit Seekers joined with 80 other kids from various churches at Pleasant Valley Christian Camp to learn about being filled up with God's Word and L.E.A.K.ing out (letting everyone around know).

The kids heard from different mission speakers on how they leaked out God's love to others. Included in the mission speakers were Dean, Kyle, and Sarah Tief, and Gavin Mosier sharing about their mission trip to Mexico. Joe and Carole Hoover, missionaries with Pioneer Bible Translators, also had an opportunity to share. In addition to sharing about his mission, Joe also brought God's Word to us in the speaking sessions.

Over the weekend the kids were also challenged to memorize a large passage of scripture, our theme verse for the retreat; Ephesians 3:14-21. To help the kids memorize the passage Vince Cook, part of the worship team, put the passage to song. By the end of the weekend almost everyone in camp could say the passage. If you want to hear the song you can listen to it at [www.youtube.com/watch?v=LsRHtsIF5Yk](http://www.youtube.com/watch?v=LsRHtsIF5Yk)

We had a wonderful retreat and we were all blessed to share in the start of a new life in one of the campers as he gave is life to the Lord. Praise God!

Some pictures from our retreat will be available on the HCC web page soon.

# Early Childhood News

Dear Families,

What a blessing it is to see all of you every week! The children are excited to come into church.

In order to keep your children as safe as possible, we would appreciate you filling out a biography form for each of your children. We will place a family picture on the page. This will help staff get to know your children and family. If you need a family picture taken at church, please come to the EC check-in and talk counter to Katie Taylor.

## Spotlight on the Climbers Room!

For the month of February, the climbers class is learning about how God provides for us. The children are learning about the story of Moses. During the 9:00 hour the children are working on singing "This Little Light of Mine." The children also work on art projects and various activities that match their Bible lessons.

The teachers for first hour are Miss Jennifer and Miss Jessie. The second hour teachers are Miss Amy and Miss Sarah.
